

Red Deer BMX is looking for community businesses that would like to sponsor our upcoming BMX season.

We are a 100% volunteer run non-profit sport organization,

In 2016 we had 50+ athletes qualify to represent Canada at the World Championships this summer in Rock Hill, South Carolina.

As of 2008 it became a recognized Olympic sport, each year we keep growing, continued growth however needs assistance from businesses like yours.

We currently have four formalized levels of sponsorship as outlined below:

Friend \$250

- Company logo listed on our website with link to your website
- Space provided for a sign display of 2x2

Bronze \$500

- Includes "Friends" level items,
- Upgrades available sign display to 4x4

Silver \$750

- Includes "Bronze" level items,
- Upgrade available sign display to 4x8

Gold \$1000

- Includes "Silver" level items
- Recognition of your company on our race nights Tuesdays and Thursdays

Any other donations of cash, goods/services or other contributions will be greatly appreciated. All donations are tax deductible
